Secretary's Report:

President **John Murphy WI1G** called the meeting to order at 7:00pm 02/03/16.
A quorum was present.

The Pledge of Allegence was recited, followed by an attendance roll call.

Treasurer **Jeff N1SOM** read the January 2016 treasurers report. Motion to accept the report as read made by **Jeff WK1D** with second by **Steve W1OD**. Motion passed quorum vote.

Motion to accept the January 2016 secretary's notes as published on the clubs website made by **Jeff WK1D** with a second by **John WD1L**. Motion passed quorum vote.

Health & Welfare report by **Elayne KB1IKH**:

Thinking of you card to: **Charlie Amico W1CBR**

Sympathy card to: **Chris Babbitt N1CFB**

Floral arrangement for: **Judy Attaya-Harris KB1SRO**

Jim WG1L asked if QST/ARRL has been notified of Judy's SK status? It's not known at the time of the meeting if this has happened. **Paul KB1MTW** asked Jim to investigate this and if necessary inform the ARRL.

Note: The day after this meeting **Jim WG1L** notified the ARRL of this and they confirmed her SK status would be listing in a future issue of QST. Thanks Jim.

Further, **Paul KB1MTW** thanked everyone who attended the recent wake for **Judy KB1SRO**.

Net Control for February 2016

- February 7th : **Larry K1LJK**
- February 14th : **Mike KB1OEP**
- February 21st : **Bob KA1KIJ**
- February 28th : **Jeff WK1D**

New Members:

- **John WI1G** and **Jeff N1SOM** presented 3 new membership applications is good standing to the club members:
 - **Matt W1AEM**, **Allen KC1EFJ** and **Kurt KC1EUJ**
- Motion to accept these new members made by **Jeff WK1D** with a second by **John WD1L**. Motion passed quorum vote. Welcome to the club gentlemen!!

Old Business:

- **Jim W1JT** announced to everyone his \$150 contribution to the Whitman Club. This was based on a percentage of sales during his recent book sale as Whitman club members helped promote the sale through social media. Thanks very much Jim for the contribution and to all who helped w/the promotion!
- **Ross W1EKG** updated everyone on the new General class now being held Tuesday evenings, 7pm at the Whitman police station. Ross indicated a friend and fellow ham **Fred WA1IMD** is assisting w/the teaching the class. Ross reports about 12 students are attending. The class is expected to run another 6 weeks w/a VE testing session at the end. A question was asked regarding the possibility of an Extra level class? Ross indicated he knows of several folks waiting for another Technician level class so this will be next. At this time there are no plans for an Extra class but Ross will consider this.
- **Jim W1JT** reports he received a txt msg from **Jeff N1ZZN** indicating he's not able to attend the meeting but wished to pass along this repeater update: The club should no longer be receiving internet service from Verizon and only a \$3.99 monthly charge from FreedomPop for the repeaters internet service. **Jeff N1SOM** further confirmed this and added that Verizon advised we have an \$11 credit.

New Business:

- **Barry N1EZH** reminded us of the **W1BSA** event taking place aboard the USS Massachusetts 09:00-16:00 April 23rd. Barry indicated this has been a very successful event in past years. Barry provided flyers for the event for anyone interested in participating. **Rick KB1TEE** is organizing the event again this year. If interested, you can email Rick at KB1TEE@Verizon.net or Barry at N1EZH@comcast.net. Rick is looking for additional stations (total of 7 are possible) and/or operators.
- **Jim W1JT** asked the club membership who was attending the Dayton Hamvention this year? A short discussion regarding the Dayton convention took place.
- **Mike WA1MAD** addressed the club membership in order to recognize **Ross W1EKG** for all work he has been doing for the club. Mike offered several ideas for a recognition award: \$\$ and/or using Ross's voice for the club repeaters auditory station ID for example. A quick general discussion took place including an idea by **Mark KC1ACF** mentioned by Mike: the club purchase Ross a 10m verticle antenna. **John WI1G** thanked Mike for the suggestions. **Elayne KB1IKH** mentioned Ross should be listed as our Training Coordinator in the newsletter. **Larry K1LJK** will make this change ASAP. **Ross W1EKG** suggested the best recognition gift would be help teaching the training classes, allowing him to cut down his total hours in the classroom. Ross explained this is straight forward

and fun. **Fred WA1IMD** is helping in the classroom but addition help would be great to have.

- **Paul KB1MTW** updated everyone on **Charlie W1CBR's** recent health issues. **Elayne KB1IKH** will send Charlie a card on behalf of the club.
- **Jeff WK1D** updated everyone on the status of a new Massachusetts bill 2110 (passed in the state senate, now being reviewed by the house of reps) intended to eliminate non hands-free cell phone use while operating a vehicle, but would essentially also make typical mobile amateur radio operation illegal. Jeff suggests we should review the bill online and contact their state representative to urge proper exceptions be made for mobile radio operation. **Bob KA1KIJ** injected other states which have this law in place have added the proper exceptions for mobile radio use. Jeff has contacted the ARRL and our local NE Director **Tom Frenaye K1KI** for assistance. A general discussion took place. (Bill contents can be found at: <https://malegislature.gov/Bills/189/Senate/S2110>)
- **Jim WG1L** brought in some trivia cartoons and an ARRL catalog w/a new 20m/40m transceiver kit. Jim also passed along a tip to use plastic ties typically found on larger loafs of bread to label different shack equipment.
- **Paul KB1MTW** updated everyone on Al Craddock's health and also his new QTH at Oakpoint in Middleborough. Al would like an HF antenna installed, pending Oakpoint management approval. When ready, Paul will need some volunteers to help w/this effort. Paul also indicated 4-5 other hams live at Oakpoint and the possibility may exist to assemble a club station there as well. **Jim W1JT** asked how antenna friendly they are. A general discussion on this subject then took place. A verticle antenna rather than a wire antenna in the trees will better meet w/Oakpoint approval. Paul mentioned this must be lawn mower proof of course.
- **Dan McDonough KC1ERI** (guest) from Hanson introduced himself to the membership. Dan is part of a CERT team, has his technician license and is curenly using a UV-82 Baofeng HT and a mobile mag mount. The club membership welcomed Dan to the meeting. Welcome Dan!
- **Paul KB1MTW** spoke about the Pine St. location and in the spring, the potential for installing an antenna tower and station assembly. Paul further commented on the tower and antenna sections also being stored by **Mark KC1ACF** and **Pete N1POO** which can be sold to members. Paul also reminded the newer club members that the club has coax, ladder-line, rope, pl259's, etc for sale to club members.
- **Billy K1UFO** reminded everyone of the February 13th Marlborough ham radio flea market, from 9am-1pm.

Motion to adjourn the meeting made by **Barry N1EZH** with a second by **Jeff WK1D**. Motion passed quorum vote.

John W11G adjourned the meeting at 7:44 pm, 02/03/16

Secretary's Report: (prepared by stand in secretary **Joe K1JMA**)

President **John Murphy WI1G** called the meeting to order at 7:00pm 03/02/16.
A quorum was present.

The Pledge of Allegence was recited, followed by an attendance roll call.

Treasurer **Jeff N1SOM** read the February 2016 treasurers report. Motion to accept the report as read made by **Jeff WK1D** with second by **John WD1L**. Motion passed quorum vote.

Standing in for club secretary **Larry K1LJK** was **Joe K1JMA**. Motion to postpone voting to accept the February 2016 meeting notes until the next (April) meeting made by **Joe K1JMA** with a second by **Jeff WK1D**. Motion passed quorum vote.

Health & Welfare report by **Elayne KB1IKH**:

Get Well card sent to: **Larry K1LJK**

Net Control for March 2016

- March 6th : **Richard AG1B**
- March 13th : **Jeff WK1D**
- March 20th : **Ross W1EKG**
- March 27th : **Jeff WK1D**

New Business:

- **Paul KB1MTW** brought up Field Day: He suggested that there needs to be follow up with the "Y" to reserve the space for the field day event on June 25th – June 26th. **John WI1G** asked for a volunteer and **Mark KC1ACF** volunteered.
 - **John WI1G** also brought up there should be a Field Day committee with a chair person. **Mark KC1ACF** stepped up and volunteered to be the field day chairman.
 - **Mark KC1ACF** will bring a generator for Field Day
 - **Mark KC1ACF** will be distributing a sign-up sheet for three stations to be operated at Field day. The goal is to ensure the stations are in operation as much as possible throughout the event.
 - **Mark KC1ACF** will be reaching out to ensure we have cooks for the Field Day event

- **Mike WA1MAD** was in contact w/**Larry K1LJK** via EchoLink over the Whitman repeater during the meeting. Larry was heard over the PA system and club members wished him well. **Larry K1LJK** was very appreciative. Thanks very much for setting this up Mike!
- **Mark KC1ACF** informed the club that the request for proposals for the Plymouth County Tower site has not had any responses. He also explained there was some discussion that the site may require a structure study and this may need to be approved prior to any usage of the Plymouth county Tower site. There were no specific details on this only that it was mentioned at the meeting he attended.
- **Paul KB1MTW** mentioned that he had met with the daughter of Silent Key **Mike W1MSP**. She has Mike's radio equipment. Various pieces may become available for sale. Paul will update us when there are more details.
- **Paul KB1MTW** also mentioned that there may be some equipment available in the future from Silent Key **Michael Canney W1BBJ**
- **Ross W1EKG** mentioned that **Freddy WA1IMD** has been assisting on his current class and that is progressing well. Ross said there may be 8-9 new Generals soon.
- **Ross W1EKG** mention there was going to be an Antique radio show on 03/06 at the Westford Regency Inn.
- **Joe K1JMA** made a motion to reimburse **Ross W1EKG** for the expense he has had for training materials, namely books required for teaching his classes. The motion was seconded by Mike WA1MAD and passed quorum vote.
- **Ross W1EKG** reminded the club that Near Fest is on April 28th and 29th. He also reminded the club of the gracious gift that was made to WARC to cover ½ the cost of our new Fusion repeater. Ross suggested that a letter of thanks be sent for the contribution to Mr. Mike
- The Genesis club President **Bob N1COP** and Vice President **Jack W1AKN** were present and introduced themselves as such to WARC. They went on to thank **Jeff N1ZZN** for assisting on the tuning of the Plymouth GARS repeater which is now performing much better.
- **Paul KB1MTW** also reminded club members on the availability of some tower equipment and if interested to speak up.

Motion to adjourn the meeting made by **John WD1L** with a second by **Jeff WK1D**. Motion passed quorum vote.

John WI1G adjourned the meeting at 8:05 pm, 03/02/16

End Secretary's Report (Thanks to **Joe K1JMA** for stepping in to perform secretary duties during this meeting).

FYBO (Freeze Your Butt Off) QRP contest Feb 6th

February offered an interesting Ham Radio contest. On February 6th, the annual FYBO (Freeze Your Butt Off) Winter QRP outdoor contest took place. The event ran from 9 am to 7 pm EST on/near HF QRP calling freqs (WARC bands excluded) using CW or SSB, 5W max.

Mike WA1MAD participated with **K1USN** club members under cold and somewhat icy conditions under foot at the **K1USN** station.

Mike WA1MAD and **Pi K1RV** setup for QRP operation. Mike used his FT450 Go-Kit while Pi used his Elecraft KX3.

W1SSH South Shore Hospital net

by Karen N1VI

Karen N1VI provided a picture from a recent first Saturday of the month, multiple hospital communications net. She noted this typically involves 4-5 different repeaters followed by a hospital to hospital simplex check.

Paul KB1MTW and **Jeff N1SOM** during the Saturday hospital net.

Recently **Paul KB1MTW** provided a link to the monthly ARRL ARES (Amateur Radio Emergency Service) E-Letter. Since then a few more E-Letters have been published on the ARRL website for 2016. This may be interesting reading for club members. Links are below.

A banner for the ARRL ARES E-Letter. On the left is the ARRL logo (a diamond shape with 'A', 'R', 'R', 'L' and 'AMATEUR RADIO' inside). To the right of the logo is the text 'ARRL The national association for AMATEUR RADIO™'. Below this is 'ARRL ARES E-Letter' in large white letters. On the right side of the banner is a vertical navigation menu with five colored buttons: 'Public Service' (orange), 'Advocacy' (purple), 'Education' (green), 'Technology' (blue), and 'Membership' (red).
